***Let's Celebrate!*** The wedding season is upon us and boy is it exciting! While the weather here is perfect for outdoor weddings year round, there is still a spike in the spring and summer months so if you're planning a wedding at this prime time give your guests early notice so they can save the date and be sure to book your vendors well in advance. All our love, VW.

***You have to see this!***

[Saticoy Country Club](#) has stolen our hearts! Weddings here are extremely picturesque with ceremonies held overlooking the beautiful greens, lake, and serene country landscape. Enjoy the outdoors and several photo ops before heading inside the clubhouse for a delightful celebratory setting and some fine cuisine prepared by the professional on-site chef. Dance and dine with lovely views of the outdoors and spectacular sunsets. For a truly memorable wedding [contact Saticoy Country Club today!](#)

***It's ladies night!***

Last month we brought you two great blog articles to share with the fellas ([Groomsmen gift ideas](#) and [How to choose a caterer for your wedding](#)). This month we've got something for the ladies: [Bachelorette Party Ideas & Alternatives](#). We had a lot of fun thinking up suggestions for untraditional bachelorette activities and weekends like taking a food tour in Ventura, paragliding in Santa Barbara, horseback riding in Agoura Hills or Malibu, and even a relaxing group session of yoga on the beach in Oxnard. Whatever you decide to do, we hope you have fun!
