

September 2015

A Sweet September! Ahh, the sizzle of summer has not yet left us but we cannot help but get excited for the sweet festivities of Fall! The cozy comfort of sweaters, the chill that brings your sweethearts near, and the comfort food and celebration surrounding the season of harvest and plenty. Find out what September has in store for you on VenturaWedding.com!

Happily Ever After Harvest Style

The beauty and bounty of Classic California's fertile valleys is in full swing at [Limoneira Ranch](#), a charming and historical working ranch located in Santa Paula. With the abundant natural beauty and magic of a ceremony in the citrus orchard, you have all the makings of a gorgeous Fall wedding without much need for added décor or "fu-fu" frills. This is great especially for our eco-minded brides and grooms.

Another factor that helps the environment and makes events at Limoneira truly unique is the use of local, farm-fresh ingredients in their menus. The "Harvest Farm to Table" menu takes into account the seasonal flavors and delights of Fall as you can see in the elements that come together to form course three, "Ventura Meat Company's organic smoked turkey served over roasted McGrath Family Farms baked carrots, baby corn and pearl onions followed by a McGrath Brothers Pumpkin squash puree with Petty Ranch pomegranates, hazelnuts and fried leeks with house made yogurt." Yum! Happy tummies, happy planet!
