

*October 2015*

***A spirited season!*** Oh yes, it's that time of year we all love . . . break out the pumpkin scones and spiced lattes, it's October! (Or for our more rowdy readers, break out the beer steins and sausages, it's Oktoberfest!) Whatever your style or tastes, we've got some great wedding inspiration for you here on [VenturaWedding.com](http://VenturaWedding.com)!

***Have we got a secret for you!***

Here at VW, we get a lot of traffic from local brides, but we also have generated a lot of interest for brides in the Los Angeles area. In response, we have launched a new site featuring awesome venues in the LA area called [LosAngelesWedding.com](http://LosAngelesWedding.com). It is brand new and we'd love to hear [feedback](#) on your site experience. Also, be sure to check back as Los Angeles Wedding plans to launch into the social media arena next month!

***Magnificent Milestone***

We are equal parts surprised and happy to announce that our VW Newsletter has reached it's one-year anniversary! We sure love the brides and grooms who inspire us to be creative and informative, and to share our unique perspective with the local community. Keep reading and spreading the word! In case you've missed it, you can read our [past newsletters here](#).
