Looking for some awesome beach and coastal wedding venues? Imagine a harbor wedding ceremony with cool ocean breezes before boarding your very own private yacht for an evening sail! Celebrate your new life together with family and friends aboard the [Scarlett Belle](#), a unique paddlewheel riverboat with two stories, wrap around outdoor deck, two bars, ballroom, and modern climate control lighting and sound system. Scarlett Belle offers inclusive wedding packages covering food, beverage, and entertainment.

[Crowne Plaza Ventura Beach](#) is a wonderful wedding location for those looking to exchange vows with their toes in the sand. How fun! After snapping a few photos with the iconic pier in the background, take the celebration indoors and all the way to the top banquet room to enjoy stunning views of the ocean and city with plenty of room for dining and dancing the night away.

Enjoy the comfort and convenience of a wedding at the historic [Pierpont Inn](#). They offer two beautiful garden settings, one in an intimate rose garden and the other on a grassy bluff overlooking the beautiful Ventura coastline. As an added bonus, there are spa services located onsite, as well as lovely banquet rooms with ocean views, and hotel rooms for guests at discounted rates.
