Fabulous Fall! Have we mentioned how much we love the Fall season here at VW? In case you've missed our [Fall inspired Newsletter](#) and [Blog Articles from October](#), we're bringing you more of the good stuff! Get inspired for your Fall wedding or find the venue to suit your style on [VenturaWedding.com](#)!

Venue Spotlight: Camarillo Ranch House

We're excited to feature the Camarillo Ranch House this month. We absolutely love attending weddings in December when the barn and mansion are all decorated for Christmas & the holiday season! The grounds are truly beautiful all year round and the pricing and event packages are reasonable. If you are looking for a venue that is elegant and charming with a touch of rustic romance then look no further, Camarillo Ranch House is the place for you.

With several outdoor options for your ceremony including a rose garden and two spacious lawns, an 1812 Victorian mansion for cocktail hour (and awesome wedding pics), and an outdoor reception on the mansion lawn or indoor barn reception you will likely be amazed at the versatility and functionality of this amazing venue.

You can view more pictures and videos of events at Camarillo Ranch House by visiting [their website](#) or [page on VenturaWedding.com](#). Contact them directly at (805)389-8182 or email info@camarilloranch.org
